

SK PHARMA LTD

Bendine Patient Information Leaflet

Read this leaflet before using this product. Keep it for reference and ask your doctor or pharmacist if you have questions. Do not share a prescribed medicine with another person.

1 What this product contains and is used for

Composition: Benzydamine HCL 1.5mg/ml Gargle & Mouth Wash

Therapeutic class: Oromucosal anti-inflammatory. Local oral anti-inflammatory preparation.

Uses: Painful inflammatory conditions of the mouth and throat.

2 Before using this product

Do not use if you are allergic to an active ingredient or any other ingredient. Get emergency help for difficulty breathing, collapse or swelling of the face, lips, tongue or throat.

Use only in the mouth and throat as directed; do not swallow. Discuss asthma, sensitivity to anti-inflammatory medicines and use in children.

Other medicines: Tell your pharmacist about other mouthwashes and oral treatments.

Pregnancy and breastfeeding: ask a clinician before use if you are pregnant, planning pregnancy or breastfeeding. The advice depends on this product and your condition.

3 How to use this product

Rinse or gargle only the confirmed quantity and spit it out. Dilution, frequency and age limits must be completed from the approved label.

Missed dose: ask your pharmacist for the product-specific rule. Do not take an extra dose automatically; some medicines have special missed-dose instructions.

Too much: seek urgent medical advice or emergency care and take the container with you. Do not wait for symptoms or induce vomiting.

Bendine Patient Information Leaflet

4 Possible side effects

Not everyone develops side effects. Effects listed here are a concise selection; the final product label must include the complete medicine-specific information.

Possible effects: Temporary stinging, numbness, dry mouth or irritation.

When to get help: Breathing difficulty, facial swelling or persistent mouth lesions needs urgent assessment.

Get emergency help for a severe allergic reaction. Contact your doctor or pharmacist for troublesome or persistent symptoms. Report suspected reactions to SK Pharma with the product name, batch number, dates of use and symptoms.

5 Storage and safe disposal

Keep out of the sight and reach of children. Store in the original closed container and follow the temperature and light-protection conditions printed on the pack. Do not use after the expiry date or if the seal is damaged.

An expiry date on a label does not establish the period allowed after opening. Ask your pharmacist about the approved after-opening period and disposal of unused product. Do not discard medicines in household wastewater.

6 Presentation and ingredients

Brand: Bendine. Presentation: Gargle / mouthwash; 120 ml.

Active ingredients: Benzydamine HCL 1.5mg/ml Gargle & Mouth Wash.

Other ingredients: the full excipient list, including any sugar, alcohol, allergens, preservatives and capsule-shell components, must be completed from the approved SK Pharma formula.
